#### Ramadan:

The 9th month of the Islamic Lunar Calendar is Ramadan. Muslims across the globe observe fasts during this holy month. It commemorates the revelation of the holy Quran on Prophet Muhammad (PBUH).

The Concept behind fasting is to redirect the heart away from worldly activities, to purify the soul by freeing it from negative and harmful activities. Ramadan is the best practice for self-improvement, self control, discipline, empathy and to encourage charity (Zakat) towards the less fortunate.

Ramadan is comprised of 29 to 30 days depending on moon sighting. It is divided into 3

forgiveness), which reflects forgiveness of Allah. The third part is called 'Ashra of Nijaat' (the days of seeking refuge), which reflect safety from the fire of hell (Jahannum). These last 10 days are also considered the most important and superior of all the ashras, as 'Lailatul Qadar' (the Night of Power/Destiny) falls in these days.

Lailatul Qadar is found in the last odd nights of the last 10 days. It is believed that on this night the blessings and mercy of Allah are abundant, sins are forgiven, supplications are accepted, and the annual decree is revealed to the angels who also descend to the earth. In these last 10 days lots of Muslims also practice 'Ihtikaf' (staying in a mosque or seclusion for a certain number of days, devoting oneself to worship and Ibadah during these days and staying away from worldly affairs).

#### **Hadith of the Week:**

Narrated by Abu Huraira

Allah's Apostle said, "There is a Sadaqa to be given for every joint of the human body; and for every day on which the sun rises there is a reward of a Sadaqa (i.e. charitable gift) for the one who establishes justice among people." (Source: Sahih Bukhari; Vol 3, Book 49, Number 870)
