Muharram 1448 AH: Faith, Resilience, and Our Shared Humanity

As the crescent moon brings light to the sacred month of Muharram, WNYMuslims extends our warmest prayers and heartfelt wishes for a peaceful, blessed Islamic New Year (1448 AH) to our local community and the global Ummah.

The arrival of the Islamic New Year invites quiet contemplation rather than festive celebration. It stands as a profound moment for spiritual renewal, self-reflection, and a rededication to the core values that anchor our faith: compassion, justice, integrity, and unity. As we step into this new year, we pray that Allah strengthens our sincerity, deepens our mindfulness, and keeps us steadfast in our devotion to Him and to the service of humanity.

Within the first ten days of Muharram lies the solemn day of Ashura. While observed with distinct historical significance across various Islamic traditions, Ashura universally calls upon us to reflect on the timeless virtues of sacrifice, resilience, and the relentless pursuit of truth.

A Symbol of Deliverance: For Muslims globally, Ashura is traditionally observed with fasting in gratitude and remembrance of the day Prophet Musa (peace be upon him) and the Children of Israel were miraculously delivered from the tyranny of Pharaoh—an eternal testament to divine mercy, justice, and liberation.

Muhammad (peace be upon him), alongside his family and companions at the Battle of Karbala. His absolute refusal to bow to oppression remains an enduring beacon of moral courage, dignity, and justice for all generations.

We honor both traditions with deep reverence. We recognize Ashura as an opportunity to draw strength from our shared history and to stand united in our collective commitment to righteousness.
